EMPLOYMENT HISTORY

Owner & Developer of freelance business at Blåsmo, Orkanger, Norway

November 2021 — Present

Started my own freelance business to pay taxes in Norway while working with my 15+ active freelance clients.

Intern consultant at Biztek AS, Orkanger, Norway

August 2021 — May 2022

Worked professionally as an intern at Biztek through school - gained a lot of experience from professionals in programming and consulting.

Consultant at Biztek AS, Orkanger, Trøndelag fylke, Norge

June 2022 — July 2022

Work on websites with my own two clients that will be deployed for the world to see for a great experience to have on my resume and portfolio.

EDUCATION

Preliminary course, Norwegian University of Science and Technology (NTNU), Trondheim, Norway

August 2022 — June 2023

I will be taking a preliminary course at NTNU so I can take a bachelor's degree in programming.

Programming, Kristiania College, Oslo, Norway

August 2022 — June 2025

I will be taking a three-year bachelor's in programming to further develop my skills and experience so I can work within my ideal occupation.

HOBBIES   I enjoy developing for the web in my free time, I either work on my projects or take projects from various clients that I have on Upwork.

                             I have been developing for the web for the past five years, and I am not planning on stopping anytime soon.

                             As of right now, I have worked with over 50 clients where I have gotten positive feedback from all, I strive to make my clients happy and satisfied.
